

YOUR GOALS AND EXPECTATIONS

Our mission is to achieve the results you want within a defined budget, and our best source of information concerning what you want is you. Please take a few minutes to tell us about your legal issue, so that we can develop an understanding of what you would like to accomplish and what resources are available for us to get you there.

Name: _____

Please describe your problem or project: _____

Have you consulted another attorney about this? If so, who? _____

What would you consider a satisfactory result? _____

By what date would you expect this project to be completed? _____

What is it worth to you to achieve this result? _____

How much have you budgeted for this project? _____

Which would you prefer? _____ Flat fee arrangement _____ Hourly fee arrangement
